FACE-TO-FACE PILATES CLASSES

Class Times:

- Mondays at HGCC – 10:15am Intermediate, 11:30am Gentle/Beginner
- Thursdays at HGCC – 6:00pm Gentle/Beginner, 7:15pm Intermediate
- Fridays at HGCC – 9:15am Gentle/Beginner, 10:30am Intermediate

A full risk assessment has been conducted following the advised 7-factor guidance for all face-to-face treatment, taking into account our professional and legal responsibilities, environment, infection control, PPE, virtual triage, clinical reasoning, and consent.

The following measures have been put in place to ensure that we adhere to this guidance and remain COVID secure:

- 1) Maximum face to face attendees remains at 12.
- 2) Everyone is asked to complete a COVID-19 screening questionnaire and a face-to-face Pilates class consent form.

* Please note that this form asks if you have symptoms for COVID-19. Please consider this to be an ongoing review before each class that you are booked on to, even if you have had the COVID-19 vaccination.

If you have COVID-19 symptoms at any point, please do not attend your next class and follow the ongoing guidelines about self-isolating. If in any doubt, phone and speak to your physiotherapist, prior to attending.

- 3) There will be a one-way system in place, meaning a door for entry and a door for exit.
- 4) Toilets will be in use, but only one person to be in at a time.
- 5) Please bring your own mat, headblocks, and resistance bands, until further notice.

I will provide any additional equipment, which will be sanitised between individual use. You do not have to use this equipment.

- 6) Please use hand sanitiser on arrival and before departure. This will be provided but feel welcome to bring your own.

- 7) Currently facemasks are not required to be worn whilst exercising, as the mats can be placed 2m apart (the places where you place your mat will be marked out).
However, please come wearing a facemask to manage risk whilst passing each other as you get into place.
- 8) During Pilates classes the physiotherapist will keep a 2m distance from you and will not be doing any hands-on correction of your technique until guidelines allow us to do this in a class situation.

PILATES TERMS & CONDITIONS

- There will be 47 weeks of face-to-face and online classes held within a 12-month period. These will be held by a physiotherapist qualified in Pilates Instructor training.
Please note that, in exceptional circumstances, occasional changes may need to be made to class times and venues. If we do not receive your payment by 20th your placement may not be available in the subsequent month.
- You can cancel your place at any time, but please provide two weeks' notice (by the 6th of each month), so we have chance to pass your place on to someone else.
- You agree to not attend your class if you develop symptoms consistent with COVID-19 within 7-days prior to the date of that class, or if you can answer 'Yes' to any of the questions on page 1 of the COVID-19 screening form.
- You are aware that if the instructor needs to cancel a class due to COVID-19, refunds are not guaranteed but every effort will be made to provide an alternative method of delivering the class to you.
